30	Confirmation	Check the box to confirm that the information entered above is true and correct.
31 34	Talent development units Preference Survey	In the second year of the project (D2), students are divided among four talent development units. Please select the unit to which you wish at this time. (Required up to your second choice.) (However, for additional openings students with a support period of two years or less, the Career development unit is recommended.) *This is a survey of the current intentions, and the preferred unit can be changed after the applicant is accepted to participate in this project.
		We will decide how students are divided among these four units based on two factors. One is their wishes as expressed in the questionnaire form they submitted at the time of application and in their subsequent mentor interviews. The other is their previous performance. Please be aware that it is possible that some students cannot move on to the units of their preference, because each unit has its own standard quota.
